ABOUT US

Satik Solution Pvt. Ltd. is an ISO 9001:2015 certified company is India's leading company electric equipment manufacturer with a formidable presence across Nine key verticals: Electrical energy Meter Solutions, electrical Switches, Electrical Switchgears, LED Lighting and Electrical Wires & Cables, Fan, GAS Detector, water heater Self Adhesive specialties tape. Our backward (backend) supplier integrated facilities have the capabilities of product design and development, component designing, tool manufacturing and commercial production. Our products are certified to conform to Indian and International standards such as ISI, CE and KEMA, ROHS and we are proud to cater India's emerging electrical requirements.

Satik Solution Pvt. Ltd. is the manufacturer and distributor of Electrical Equipment in India. With our "One Stop Shop" approach, we offer the widest range of Electrical equipment in the country. Working closely with Authorized Distributer and Private shop compliments our profound understanding of the electrical equipment and servicing business This helps us to remain and become the preferred supplier of our customers.

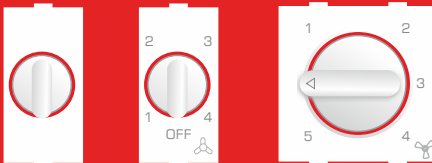

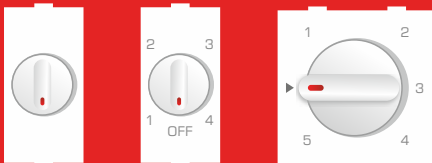

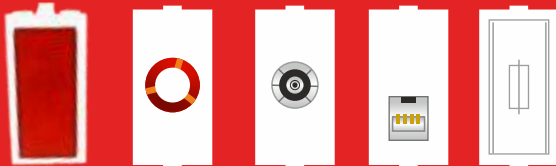

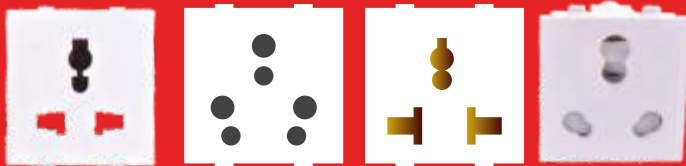

Our partnerships with Market Leaders in electrical industries compliments our strengths in R&D and manufacturing. With our widespread network across India, we have the reach and coverage to support our customers, at every stage of the product's life cycle.
